

Boarding Checklist

Boarding checklist: Did you?

1. Make your reservation.
2. Fax or bring your Annual Vaccine History to (401) 490-4786
Dogs: Vaccines: DHPP, Rabies, and Bordatella.
Tests: Fecal Parasite and Heartworm tests.
Cats: Vaccines: FVRCP, and Rabies.
Tests: FELV/FIV.
3. If your pet is on medication it must be in its **ORIGINAL** container otherwise it can not be administered. Do not put inside food items or pre-bag it.
4. Please do not bring dog beds as they can not be properly cleaned if your pet has an accident. You may bring a toy but do not bring us anything you can not afford to lose or have your pet destroy during rough play.
5. To save time, fill out and bring boarding form from our website. You can also fill out forms at the front desk. You can find forms online at: **www.4pawsne.com**

Emergency and Parasite Policy

For your pet's health we check for fleas and flea dirt upon admittance (**all pets whether indoor or outdoor are susceptible**). If found, your pet will be treated appropriately for infestation. If your pet develops diarrhea while boarding, we will check for internal parasites and treat if necessary. Unless it is an **emergency threatening the life of your pet** we will always **attempt** to call you before proceeding with any treatment. If the emergency does threaten life, we will treat to the limit our abilities until we hear from you or your authorized agent. **You are fiscally responsible for all costs incurred for any medical treatment.**

Boarding/Medications Rates
